ABOUT US

Genie Light is a premier provider of innovative lighting and electrical solutions. Since our establishment in 2011, we have proudly positioned ourselves as Egypt's market leader in premium electrical equipment and proprietary lighting products. Our expertise extends beyond national borders, serving international power projects and wholesale electrical sectors across Africa and the Middle East. We offer a diverse portfolio of products from globally trusted brands such as Eaton, MEM, Thorn, Crabtree, Phillips, GE, TCL, Schneider, Gent, and Voss Loh-Schwabe. Whether you seek high-quality electrical components or customized lighting solutions, our dedicated team ensures cost-effective, tailor-made services to meet your unique needs.

OUR VALUED CLIENTS

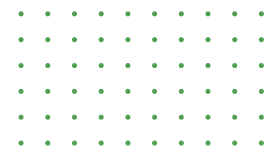

OUR MISSION

AT GENIE LIGHT, OUR MISSION IS TO:

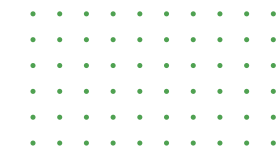

01. Innovate with Technology: Integrate cutting-edge advancements to create efficient and high-performance lighting solutions.
02. Enhance Sustainability: Develop energy-efficient lighting systems that reduce environmental impact and promote resource conservation.
03. Design Functional Spaces: Deliver aesthetically inspiring and functionally optimized lighting environments tailored to client needs.
04. Commit to Excellence: Continuously improve our solutions to exceed industry standards and customer expectations.

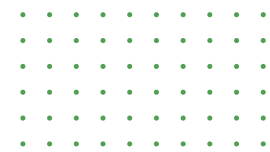

At Genie Light, our mission is to redefine excellence in lighting solutions. By integrating cutting-edge technology with thoughtful design, we create environments that are both functional and aesthetically inspiring. Committed to sustainability and innovation, we ensure that our solutions not only enhance the spaces they illuminate but also contribute to energy conservation and resource efficiency.
